Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 6,19,23,35 and 36 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claims 6 and 23, the flow passage has not previously claimed as being heated, only the solution has been heated.

In claims 19 and 36, it is unclear if the aerosol particles being referenced are those of the aerosol as a whole, or are the aerosol particles of the first component or the liquid component. Clarification and correction is required.

In claim 35, the phrase "flows out of an the of the flow passage" is vague and confusing.

Allowable Subject Matter

Claims 1-5,7-15,18,20-22,24-31 and 37-49 are allowed.

Claims 6,19,23,35 and 36 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Response to Arguments

Applicant's arguments with respect to claims 6,19,23,35 and 36 have been considered but are moot in view of the new ground(s) of rejection.
